**RE: EEA No. 14647 Douglas Woods Wind Farm**

Dear Secretary Bowles:

Regarding the above referenced ENF submittal please be advised that the Town of Douglas Conservation Commission met with American Pro Wind at their meeting on Monday, October 18, 2010. Four existing areas of violation due to tree clearing in the buffer zone and wetland areas on the site were discussed.

James Mather of Mather Construction, a sub-consultant to American Pro Wind, conceded to the violations. After discussion, the Conservation Commission voted to fine Mr. Mather a total of \$800.

If you have any questions or would like to discuss this further, please contact me at (508) 476-4000, x108 or e-mail me at [wcundiff@douglasma.org](mailto:wcundiff@douglasma.org).

Very truly yours,  
Community Development Department
