Subject: RE: Request for Continuation of Site Plan Review Meeting and Public Hearing

Hi Rod:

I see. Please note that although the Final set of redline comments were formally mailed to VHB as you indicated, the lion's share of the comments were provided to them on 10-12-10 at the Planning Board meeting.

Subject: Re: Request for Continuation of Site Plan Review Meeting and Public Hearing

Bill,

I was referring to the red-lined comments on the site plan itself. From what I understand from VHB, these were received last Friday. As far as the Site Plan Review letter comments go, we received an electronic copy on 10/20/2010 and the mailed hard copy on 10/22/2010. The conclusion still remains the same. There is too little time to respond to these comments by tomorrow night and we would like to request a continuation until 11/9/2010.

Thank you,

Rod

Hi Rod:

For the record, Our comments were emailed to you on Wednesday, October 20, 2010 (see attached) and not on Friday, October 22, 2010 as you indicated in your email below. Further, while you may be awaiting comments on stormwater (and traffic) from Staff, the Redline comments, and comment letter have submitted to you for your review and comment.

Subject: Request for Continuation of Site Plan Review Meeting and Public Hearing

Bill/Steve,

We would like to request that tomorrow night's Site Plan Review hearing be continued until November 9, 2010, which we understand is the next regularly scheduled Planning Board meeting. Given that American Pro Wind and VHB are still awaiting comments from the Town on the Storm Water Plan and given that other written comments from the Town were just received on October 22nd, the Applicant needs a reasonable amount of time to respond to these comments. Therefore, we believe that it would be more productive to meet with the Planning Board on November 9th.

Please confirm receipt of this request.

Thank you,

Rod

Hi Craig –

Please see attached. I plan on having the redline done tomorrow and will overnight it to you if you can share your FedEx number.

-Bill
