Dear Mr. Commissioner

On behalf of the Board Of Selectmen and the Douglas Community I would like to thank you for the support and attention you have given to aid in rectifying the long term issues Douglas experienced with Wallum Lake.

Previous administrations did not seem as willing or committed to assist our community with the ongoing problems this caused for our town. For the first time we feel that Douglas and DCR have formed a true partnership that we sincerely hope will continue in the oncoming years. The situation is not completely resolved but it is light years ahead of where we were 2 years ago. We believe that with your continued support, and willingness to adopt new ideas and policies this will be a good news story for both the residents of Douglas, and for DCR as well.

Respectfully,

Kevin D. Morse
Board of Selectmen Chair
