Re: Notice of Decision

Dear Mr. Powers,

On December 3, 2013, the Douglas Board of Selectmen acting as licensing authority held a disciplinary hearing to consider allegations concerning your Class 2 license exercised at 121 Davis Street, Douglas, MA. You attended the hearing and offered testimony concerning the allegations, which included an alleged failure to disclose required information on your license application concerning prior licenses and workers compensation insurance; and an alleged exceeding the number of vehicles allowed on site under the conditions of the license.

The hearing was closed on December 3, 2013.

On January 28, 2014, the Board of Selectmen by a unanimous vote, approved the following two motions:

First motion:

“I move to find that the license holder failed to disclose required information on the license application and has stored excess vehicles on the site in violation of the conditions of the license.”

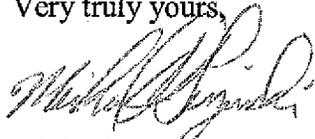

Second motion:

“I move to revoke the license, such penalty to take effect on March 5, 2014.”

In accordance with these votes, your Class 2 license is hereby revoked, effective March 5, 2014.

You have the right to appeal this determination at your own expense.

Very truly yours,

Michael J. Guzinski
Town Administrator
