## **ATTACHMENT A** **WRITTEN PURCHASE DESCRIPTION** **July 9, 2018**

### **Two (2) Semi-marked Patrol Vehicles**

Pursuant to Massachusetts General Laws, Chapter 30B, the Town of Douglas provides this written purchase description as a guide for vendors responding to an Invitation for Bids (IFB) for two, new Semi-marked Patrol Vehicles for the Douglas Police Department, as specified herein.

Decision rule: The contract for the desired item will be awarded to the responsive and responsible vendor offering the lowest price. The Town reserves the right to reject any and all bids in the best interest of the Town.

Minimum requirements: All bids must meet the criteria below to be considered responsive to this IFB. The Town will purchase two new Semi-marked Patrol Vehicles for the Douglas Police Department, to serve as front-line first response cruisers. The Town is looking to purchase the vehicles, accessories and warranty options (if applicable) as one complete package. The final bid price must include a reasonable estimate for any/all labor charges for installation / transfer of desired components from existing cruisers to the new vehicles.

Where a brand is specified below, it is for the purpose of establishing a reference point in terms of size, performance, and durability. For items marked with an asterisk (\*), bidders may substitute items of like kind and quality, but must submit documentation supporting the change. Note that the Town is looking to maximize the re-use of existing components where possible, and thus each cruiser is different (note shading indicates areas of difference), with minimum requirements as follows:

<b>Criterion</b>	<b>Cruiser 1</b>	<b>Cruiser 2</b>
Make / model	Ford Interceptor V6 All Wheel Drive	Ford Interceptor V6 All Wheel Drive
Color	Black	Black
Warranty	5-year 100k mile powertrain warranty, \$0 deductible	5-year 100k mile powertrain warranty, \$0 deductible
