

A DAY in MAINE BAILEY'S ISLAND AND CASCO BAY

MONDAY, AUGUST 15, 2016 --- \$92.

Visit Bailey's Island this summer with The Sunshine Club. We will meet the ferry in Portland, ME for a 2 hour ride. Listen as the captain describes the history of Casco Bay as we cruise past lighthouses, forts and 19th-century summer colonies. Enjoy a leisurely stopover and dine on Down East cuisine at Cook's Lobster House. This popular narrated round trip offers perfect Maine memories. Upon arrival to Bailey's Island, we will have lunch and then there will be a bit of time to stroll the nearby beaches or just sit and relax in the fresh salt air. Some of the highlights of Bailey's Island are: Mackerel Cove, one of the most photographed places in Maine; Land's End, a famous rocky beach at the end of the island; the 'Maine Lobsterman', a bronze statue originally created for the 1939 World's Fair; The Giant Stairs (also known as "The Giant's Steps"), a rock formation on the edge of the island resembling a large flight of stairs; and "The Nubble", an often-photographed bait shack where all the local lobstermen leave their buoys.

Please note that a choice of entree must be given at time of booking.

All entrees are served with rolls, chef's choice of starch and vegetable of the day, coffee, tea or soft drink. **1) Fresh boiled lobster, 2) Haddock ala Cook's** (Fresh broiled haddock topped with homemade creamy lobster sauce), or **3) Mediterranean Pasta** (Penne Pasta mixed with sub dried tomatoes, artichokes, Kalamata olives in a white wine, lemon & garlic sauce topped with feta cheese)
