As we enjoy this bountiful Lobster Buffet, the Captain will provide a narration about the sights we'll be viewing on our two and one half hour cruise. Gloucester Harbor and its environs are breathtaking and the Princess has large glass windows to view the sights. During the cruise, there will be music playing for our enjoyment, and you can walk out onto the outside deck if you wish for a salty sea breeze. The historic Gloucester harbor is full of fishing boats and schooners, extraordinary views, only seen by water, of the city's historic skyline, working waterfront, iconic Man at the Wheel statue, Rocky Neck Art Colony, the famous Greasy Pole, America's first lighthouses and more. **After the cruise returns to the dock, we'll have**

some free time at Bearskin Neck in Rockport. Return around 6:30 or 7 PM after a delightful day on the Massachusetts North Shore!
