

Clarification on SBC format

As of April 1, 2017 the federal government has issued a new format for the Summary of Benefits and Coverage (SBC) document. One of the most significant changes to the format is the way deductibles are referenced in the cost-sharing chart. The cost-sharing chart shows copayments and coinsurance after the deductible has been met.

A statement appears at the top of the chart noting that all copayments and coinsurance are after the deductible has been met, if a deductible
applies (see example below). Please note that this wording appears only at the top of the chart.

All copayments and coinsurance cost shown in this chart after your deductible has been met, if a deductible applies.

- If the deductible does not apply to a benefit, the phrase "deductible does not apply" appears in the chart.
- If the "What You Will Pay" column, indicates "no charge," this means no charge after the deductible has been met.

Common Medical Event	1	What You	Will Pay		
	Services You May Need	Network Provider (You will pay the least)	Out-of-Network Provider (You will pay the most)	Limitations, Exceptions, & Other Important Information	
If you have a test	Diagnostic test (x-ray, blood work)	X-rays: No charge Laboratory: Select Providers: No charge; deductible does not apply Other Plan Providers: No charge	Not covered	None	
	Imaging (CT/PET scans, MRIs)	No charge	Not covered	Cost sharing may vary for certain imaging services. Out-of-Network Preauthorization required. Penalty lesser of \$500 or 50% benefit payable if approval not	

We encourage readers to reference Schedule of Benefits documents for cost-sharing details. The Schedule of Benefits is the contract between a member and Harvard Pilgrim Health Care and is the more complete document.

Harvard Pilgrim Health Care includes Harvard Pilgrim Health Care, Harvard Pilgrim Health Care of Connecticut, Harvard Pilgrim Health Care of New England and HPHC Insurance Company.

Summary of Benefits and Coverage: What this Plan Covers & What You Pay For Covered Services

Coverage Period: 07/01/2017 — 06/30/2018

Coverage for: Individual + Family | Plan Type: HMO

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, www.harvardpilgrim.org/LGsampleEOC or by calling 1-888-333-4742. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary at www.healthcare.gov/sbc-glossary to request a copy.

Important Questions	Answers	Why this matters
What is the overall deductible?	Medical & Prescription Drug Deductible: \$2,000 member/ \$4,000 family	Generally you must pay all the costs up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the policy, the overall family <u>deductible</u> must be met before the plan begins to pay.
Are there services covered before you meet your deductible?	Yes: <u>preventive care</u> , routine eye exams, are covered before you meet your <u>deductibles</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But, a <u>copayment</u> or <u>coinsurance</u> may apply.
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services
What is the out-of-pocket limit for this plan?	\$4,000 member/ \$8,000 family	The <u>out-of-pocket limit</u> is the most you could pay in a year of covered services. If you have other family members in this plan, they have to meet their own <u>out-of-pocket limit</u> until the overall family <u>out-of-pocket limit</u> has been met.

Important Questions	Answers	Why this matters
What is not included in the out-of-pocket limit?	Premiums, balance-billing charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit .
Will you pay less if you use a network provider?	Yes. See https://www.providerlookuponline.com/harvardpilgrim/po7/Search.aspx or call 1-888-333-4742 for a list of preferred providers.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance-billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	Yes, some exceptions apply.	This <u>plan</u> will pay some or all of the costs to see a <u>specialist</u> for covered services but only if you have a <u>referral</u> before you see the <u>specialist</u> .

All copayments and coinsurance cost shown in this chart after your deductible has been met, if a deductible applies.
