

Delinquent Motor Vehicle Excise Tax Bills

Please keep in mind that so long as a municipality mails an excise tax bill to a registrant and the bill is sent to the registrants address as it appears on the vehicle's registration. The registrant is presumed to have received the tax bill, regardless whether he or she has in fact received the bill and is nevertheless, liable for its timely payment.

Online payments for excise tax are accepted only within the 30 days from the date of issue on the original tax mailed. Once an excise tax bill has gone passed the initial due date on the first mailing, payment must be made either by mail or at our office.

There are 5 Notices mailed prior to any delinquent tax bills being marked at the registry of Motor Vehicles for non-renewal of License or registration. They are indicated below:

The first notice is the initial tax bill. This tax bill is based on the assessed value of your vehicle X by \$ 25.00 per thousand of the valuation. You have 30 days to pay this bill from the date of issue.

The 2nd notice of collection is the Demand bill. The demand bill will include interest and a \$ 10.00 demand fee and is due and payable within 14 days from the date of issue.
